

WE ♥ RT HAYES.

**Kit and Ace says they're local,
but how many local businesses...**

- x** can spend over \$200,000 on a single ad?
- x** operate over 30 stores in 3 countries?
- x** plan on having 50 stores open by the end of 2015?

If we let them come to Hayes Valley, others will follow. **Make your voice heard. Come to the City Hall hearing and let Kit and Ace know how you feel.**
