ZONAL CREATIVE HOME INTERIORS, 568 Hayes St., San Francisco, CA 94102, Ph. 415 255-9307

ZONAL, refers to a zone. In my case a creative home interiors zone. I specialize in metal and wrought iron, rusted bed frames, chairs and other unique pieces of metal furniture. Along with the metal furniture, I sell distressed painted furniture, artisan pieces, unusual found items, work by local photographers and artists and custom-ordered upholstered furniture. Put this all together and you have the Zonal look** the creative eclectic look which is "on the edge"!
